

CROSSFIELD

INFORMATION

As a rail station on the Calgary to Edmonton (C&E) line of the Canadian Pacific Railway, Crossfield was founded in 1892. Crossfield was named after an engineer with the Canadian Pacific Railway survey crew. By 1904, the community had a post office, a general store, a hotel and a school. In 1906, the first grain elevator opened and Crossfield was incorporated as a village the following year in 1907. In 1980, Crossfield incorporated as a town.
